

Canada

- The S&P/TSX Composite increased 0.47% on the week led by an 11.41% increase in the materials sector.
- According to Statistics Canada, the unemployment rate increased by 0.2% to 6.7% in October as the economy shed 4,700 jobs. October's modest decline followed a cumulative loss of 110,000 jobs across September and August.

United States

- The S&P/500 Composite decreased 2.68% while the Nasdaq Composite decreased 3.37% on the week.
- According to the Bureau of Labor Statistics, the US economy added 165,000 jobs in October as the unemployment rate fell to 4.1%. Additionally, average hourly earnings increased 0.4% in October and have now increased 3.1% annually.

This material is general in nature and factual only, it does not constitute investment advice and should not be relied upon as such. It includes information concerning financial markets at a particular point in time and is subject to change without notice. Every effort has been made to compile it from reliable sources; however, no warranty can be made as to its accuracy or completeness. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus or the fund facts before investing. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. The indicated rates of return include changes in share or unit value and reinvestment of all dividends or distributions. They do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Returns for time periods of more than one year are historical annual compounded total returns while returns for time periods of one year or less are cumulative figures and are not annualized. Index returns are for information purposes only and do not represent actual strategy or fund performance and do not reflect the impact of management fees, transaction costs or expenses and investors cannot invest directly in any index. Investors need to seek appropriate professional advice before making any financial decisions. Worldsource Wealth Management (WWM) is a fully integrated wealth management company focused on supporting Financial Advisors and building financial prosperity for Canadians. WWM is a wholly owned subsidiary of Desjardins Group, the leading financial cooperative in North America with over 100 years of dedication to the people and communities they serve. Worldsource Financial Management Inc. is a mutual fund dealer. Worldsource Wealth Management Inc. is a dual-registered firm, both as a mutual fund dealer and an investment dealer. Both Worldsource Financial Management Inc. and Worldsource Wealth Management Inc. are members of the Canadian Investor Protection Fund (CIPF) and the Canadian Investment Regulatory Organization (CIRO) and subsidiaries of Worldsource Group of Companies Inc., a wholly owned indirect subsidiary of the Fédération des caisses Desjardins du Québec (FCDQ), which is part of the Desjardins Group.
